Women Access to Finance Workshops (WA2F)

AMA organized 10 Women Access to Finance Workshops in Kabul, Herat, Balkh, Parwan, and Bamyán provinces in 2021. Around 600 women-led businesses participated, and the representatives from MFIs, AMA, and MISFA. MFIs presented their products and services to the businesses in attendance and responded to their queries. Round-table sessions also organized at the end of the workshops allow businesses to interact directly with representatives of financial institutions and learn more about their loan products, terms and conditions, and overall financing services they offer to clients. By the end of June 2021, some 25 percent of the participating businesses received loans from microfinance institutions. There are many other loan applications in the pipeline. The workshops were financially supported by the Access to finance (MISFA), funded by World Bank under its more extensive "Access to Finance Project. AMA acknowledges World Bank and MISFA's generous support to AMA for the past few years and is looking forward to future support.
